

BEACH PROGRAM

Exciting news! We're hiring and looking for talented individuals to join our team.

■ Position Highlights

- The Health Department inspects and samples the quality of bathing water throughout the county weekly.
- This program operates under the authority of the New York State sanitary code and the Westchester County sanitary code.
- The bathing beach program monitors water quality at three types of beaches: marine beaches on the Long Island Sound, Hudson River beaches, and our inland fresh water beaches.
- Salary \$17.75 per hour.
